Dear Friends,

On behalf of Franklin County Children Services, I want to thank you for your generous donation of cuddly stuffed animals. All donations to Franklin County Children Services may be tax deductible, and this is your receipt.

It is through the support of community donors that thousands of children every year are able to be provided with birthday gifts, toys, and other items or experiences to make their days brighter and bring a smile to their faces. You have made many children happy because of your kindness.

Your compassion for the children we serve is greatly appreciated by all of us. We truly appreciate your support of our agency. On behalf of the Franklin County Children Services Board, our employees, families and especially the children we serve, thank you for your contribution.

Sincerely,

A handwritten signature in black ink, appearing to read "Elizabeth Crabtree".
