Nancy:

Well, you and the Assistance League have done it again – brought the exact things we need at the exact time we need them. Thank you. Your contribution of items for move in kits support our mission ... *With hope, we shelter, support, and guide youth navigating challenges.* These items will support our Transitional Living and Housing programs, and we are truly grateful.

One of the young people who will receive items is a young man named Prince. Discovered in a coffee shop by a former Transitional Living Client, Prince is an immigrant from Africa and was living in Columbus on the streets. Our former client directed him to Huckleberry House and he is moving in this week. Without the help of the Assistance League ... well, you know the end of this sentence – thank you.

Sincerely,

Carol Argiro, Director of Advancement
Huckleberry House

Thank you!
