Nancy:

Thank you so much for the donation today of shorts and tops. As the weather gets warmer, it is nice to be able to offer the young people in the shelter something a little more weather appropriate than sweat pants! I told Leslie, "... that Nancy, she knows what she's doing!" As you know, your contributions support our mission ... *With hope, we shelter, support, and guide youth navigating challenges.*

Thank you for including us (and Jonathan) at your recent event, and for all you do to support and advocate for Huckleberry House. We are so lucky to have you as a partner in the community.

Sincerely,

Carol Argiro, Director of Advancement
