Nancy:

It is always so exciting when we know that Nancy is coming to drop off donations at Huckleberry House, and last Friday was no exception. All the right stuff at just the right time. Thank you.

I wanted to share with you that recently, our Youth Outreach Team was at a community event, sharing the work of Huckleberry House and connecting youth and families to resources. A woman approached the team and shared that as a younger person, she had encountered the outreach team at an event – she was unstably housed and in need of help. The outreach team connected her to our Transitional Housing program, and through the help of Huckleberry House's programs, she was able to stabilize her life. Today, she works with at-risk youth in an educational setting, and credits Huckleberry House with moving her forward.

We love to hear success stories like this one – having a 54 year history in Columbus, there are many people who have benefited from our programs, and who have benefitted from amazing donations like the one you dropped off Friday.

We are incredibly grateful for your kindness and for the generosity of the Assistance League of Metro Columbus.

Sincerely,

Carol Argiro, Director of Advancement
Huckleberry House
